WORK EXPERIENCE

Present- **WEB DEVELOPER/GRAPHIC DESIGNER**
TIMPERKINS.CO WEB DESIGN – DENVER, CO

Since 2006, I have coded, designed, and maintained custom websites for a variety of businesses. My main roles are creative consultant, coder, and SEO strategist. In addition, I develop custom Wordpress themes and convert older sites into mobile-friendly websites.

2018- **WEB DEVELOPER/GRAPHIC DESIGNER**
FORTE INFORMATION RESOURCES – DENVER, CO

Front-end web development and maintenance for data-driven websites used by Fortune 500 companies. UX design for iOS apps, Sharepoint websites, and Wordpress websites. Graphic design support for printed publications and annual reports.

2015- **FRONT-END WEB DEVELOPER**
CEATUS MEDIA GROUP – SAN DIEGO, CA

Built custom Wordpress themes and websites. Graphic design for websites and email marketing. Implemented SEO changes, and helped maintain over 200 high-ranking websites. Wrote coding and quality assurance manuals for new employees.

2010- **FRONT-END WEB DEVELOPER**
BIZX, LLC – LA JOLLA, CA

Coded and designed mini-websites, landing pages, custom forms, interactive banners, and weather widgets. Maintained PPC banner advertisements for travel websites. Graphic design support for email marketing and promotional items.

2009-

EDUCATION

UNIVERSITY OF COLORADO AT BOULDER
B.A. in Sociology, May 2008
Minor in Technology, Arts & Media (MATM), May 2007
